

# Pattern Recognition and Machine Learning Notes

Welcome to my respository of notes about the course Pattern Recognition and Machine Learning! I created this sapce to record and share my learnings and thoughts as I dive deeper into this exciting filed. I hope that my notes may help others.

## Contributing

If you have any suggestions or corrections to my notes, please create a pull request or open an issue. Your contributions are greatly appreciated!

Thank you for visiting my Pattern Recognition and Machine Learning notes repository, and happy learning!
